Subject: Recognizing 2017 Supplier Performance

Lockheed Martin Aeronautics is pleased to identify Futuramic Tool and Engineering, 005502752 as a top performing supplier for 2017. We would like to thank you and your employees for outstanding performance.

As a global leader in the design, manufacture and support of high performance aircraft, operational excellence is a key tenet of our business model. We strive to ensure our products are mission ready with world class quality. Your role in our business makes an impact far beyond performance – it ensures our ability to offer safety and security to customers across the globe.

As a token of our appreciation, we would like to collaborate with Futuramic Tool and Engineering in a recognition event at your location to highlight this achievement. If you are interested in this collaborative effort or would like more information, please contact your supply chain representative. The deadline to execute an event is August 2018.

Congratulations on this achievement! We look forward to continuing our relationship with you in the future.
